# CHILDREN DESERVE A CHANCE FOUNDATION

## Autumn Greetings

*As we embark on a new school year for all of our students, we keep in mind all the fortunate happenings that we just had this past summer; as well as all the new adventures of knowledge that will be taking place this school year. We want to wish everyone good luck on there upcoming school year as we gear up for the days to get shorter and the temps to feel cooler.*

Jordan Steffy  
President / CEO

## Website Re-Launch!

The time has come for a revamp and an update. We here at the Children Deserve a Chance Foundation thought it was time to re-do the website. So, after months of countless hours and trials, our Director of Finance and Brand Marketing has finished the brand new, updated website to be unveiled Wednesday, August 31, 2011. New photo albums, new features, as well as a brand new concept of having a "BowTie Off the Rack". BowTie Off the Rack is going to be something new that we have created that is similar to having a student of the month. Every month, we will choose someone new within

our program that we feel has exemplified the brand of the BowTie Program. With that person will come a picture, video clip of them, and a description of what they have done. We are very excited for this new feel and are looking forward to more to come.

Hope

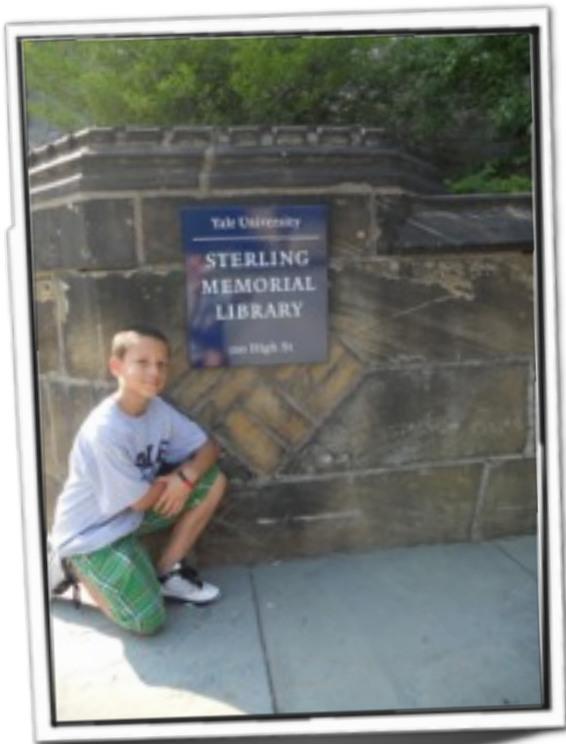

Enthusiasm

Vision

# *BowTie Boys Tour Prestigious Colleges!*

The BowTie Program aims to expose it's students to the opportunities that exist only through education. One example of this was a recent visit to three of the world's most prestigious Universities. Visits to Massachusetts Institute of Technology (MIT), Harvard, and Yale coincided with team building activities, of which provided 10 students of our academic intensive program a once in a lifetime experience.

## *Congratulations!*

Congratulations to one of our BowTie Boys that will be attending fifth grade in the fall, **Andrew Williams**, accepted a scholarship for approximately \$200,000 to attend Lancaster Country Day School through his senior year.

His hard work and dedication to his schoolwork, family, and the BowTie program shows that anything is attainable. He will be attending LCDS starting this fall and we wish him well.

## *BowTie Athlete Excels*

BowTie Boy, **Diante Cherry** recently accepted a National Award

from Under Armour for being a Local Stand Out Athlete. In doing so, he trained for a week for professionals at IMG Academies in Bradenton, Florida! Congratulations to Diante and bigger things to come!

# 5th Annual Golf Classic

On July 9th, The Children Deserve a Chance Foundation hosted an annual golf classic that continually raises money for programs which benefit our children and our BowTie Program. This year we want to thank Meadia Heights for allowing us to hold our tournament and dinner at their facility. They have been a gracious sponsor and a tremendous host for previous events as well, such as the 2010 Christmas Dinner.

At the Golf Classic, we welcomed Miss Pennsylvania; Amber Joi Watkins, Darrius Heyward Bey from the Oakland Raiders, Phil Costa from the Dallas Cowboys, Moise Fokou of the Philadelphia Eagles, and former Lancaster Catholic standout, Ryan Purvis of the Tampa Bay Buccaneers, as well as numerous sponsors and donors.

Every year at the Golf Classic, we award scholarships to four deserving high school graduates who are attending college in the fall. This year, we awarded these scholarships to J.P. McCaskey Graduates, **Kristin McNeil** and **Andrew Williams**. As well as Conestoga Valley Graduates **Alex Dienner** and **Huyen Do**. We want to wish them all well in the future as they were all stand-outs in the BowTie Program! Congratulations!

Finally, we would like to thank everyone who came out and supported us in terms of volunteers, golfers, sponsors, donors, and most importantly, our BowTie Children! We look forward to seeing all on the course next year!!
